

## Honest I Do

Jimmy Reed

Don't cha know that I love you?  
Honest I do  
I'd never placed, no one above you

Please tell me you love me  
Stop drivin' me mad  
You the sweetest little woman  
That I ever had

I told ya I love you  
Stop drivin' me mad  
When I woke up this mo'nin'  
I never felt so bad
