

# I Know It's a Sin

Jimmy Reed

I know it's wrong, things I do  
The way that I, mistreated you  
But I know oh-ho, it's a sin  
It's a sin

She's stood and watched me  
From the side  
Oh, she hung her head and cried  
But I know whoa-oh, it's a sin  
It's a sin

My baby told me  
Yes, from the start  
She said, "Darlin' you breakin' my heart"  
But I know oh oh, it's a sin  
It's a sin
