

# I Will

Jimmy Wayne

So you're the one  
I've waited on  
The one I've been dreaming of

Now that I know  
It's hard to let go  
I don't wanna lose your love

What can I do  
I can't make you stay here  
But if you should choose  
to go your own way

Whereever you're going  
Whenever you turn  
Remember this moment  
Remember these words

I will  
I will give up my life for you, if you want it.  
I'll give you my heart, you already own it.  
I'll do anything,  
I'll go any where  
It's true,  
I will,  
I will,  
I will.

I look in your eyes,  
And I see our life  
So full of happiness.  
Do you see the same?  
Just someone you play  
For things that you might've missed.

I don't wanna weigh you down like an anchor.  
But if that's how you see me now I will pleather,  
Let you go free  
Just sail away  
If that's what you need  
If that's what it takes

I will  
I will give up my life for you, if you want it.  
I'll give you my heart, you already own it.  
I'll do anything,  
I'll go any where  
It's true,  
I will,  
I will,  
I will.

If everyday is going to steal you away  
If you feel you need someone to hold you  
I will  
If you ever need some one to  
Talk to someone who really knows you

Yes I will  
Uh

Give up my life for you if you want it  
Give you my heart you already own it  
I'll do anything  
I'll go anywhere  
It's true  
I will  
I will  
I will  
I will.  
Love you
