

Purple Flip Flops

JJ Demon

Bright lights, On the night I was abducted.
They looked me dead in my eyes and saw I'm not the type to be fucked with.
I'm crispier than a bucket, with a biscuit on the side
(no idea what he's saying here) ...and the pancakes.
In my purple flip flops I declare hip-hop is dead.
No I don't mean it but I'm your demon I'm just putting thoughts in your head
.

Can I get a bed? All these rappers are making me wanna catch up on sleep!
Trying to get blood every time I touch the mic.
You are still trying to catch up on beats.
Cut the mustard Grey PouPon.
Cut it out like you cut a great coupon.
I'm not sick of my dick it's bigger than yours,
You still pull it out like a gray futon.
Shoes on at your momma's house.
Think you barely wanna let it go to drama route.
Get serious.
Show you what your mom's about.
I put a period, in take a comma out.

(Let me hear you)
You're peanut butter jelly when you see me rolling past you,
With the top down like I'm riding in an open casket.
You're a block down, asking for a bribe and getting shot down often.
So I guess you're Christopher Walken!

Subtle as a tractor blade.
Shit gets ugly Masturbate.
You wanna kiss her you'll have to wait.
How do you like my after taste?
Floating like a castaway, Fresh to death I passed away.
Dubstep I don't know where disaster waves.
Mix it all and wait for your glass to break.
Glass to break!
(Shut the fuck up...)

Oh man, that's the way we're banging on the-
No romance!
Just fuck 'em and throw a stranglin' on 'em.
So you know what you are when we blacked out.
Fucked.
Like a passed out freshman in the frat house.

My purple flip flops.
Hip hop's dead (Hop's Dead)

It's not dead I'm just Freaking dubstep instead!

Party people, and I think we can all agree, we're party people...
I can't remember the last time we were all together like this...
Now it might have been last night or maybe the night before...But the point is
..
Is I can't remember it! and maybe, just maybe that's what it's really all ab
out

(you know what just stop)

Let me hear ya
Get weird!
(bring that back)
