

The Phone Song

JJ Demon

Come on pick up, come on pick up
Come on pick up, come on pick up
Come on pick up, come on pick up
Come on pick up, come on pick up

Answer your god damn phone
When I'm calling you
What kinda precious little time am I violating?
Answer your god damn phone
When I'm calling you
I know that you can hear it v-v-v-vi-vibrating

V-v-vibrating, v-v-v-vibrating
V-v-vibrating, v-v-v-vibrating
V-vi-vibrating, v-v-v-vibrating
V-v-vibrating, v-v-v-vibrating

Madness is all that is around
The ashes of us fallen to the ground, smashed in the dust
Wait, what's that sound
You looked at it then you put it right back down
WTF? I'm buzzing in your purse
Trying to send a text, but it doesn't even work
Always like, "What? I ain't up to nuttin'"
So why when I call, I get the fuck you button?

Answer your god damn phone
When I'm calling you
What kinda precious little time am I violating
Answer your god damn phone
When I'm calling you
I know that you can hear it v-v-v-vi-vibrating

V-v-vibrating, v-v-v-vibrating
V-v-vibrating, v-v-v-vibrating
V-vi-vibrating, v-v-v-vibrating
V-v-vibrating, v-v-v-vibrating

Madness, questions in the brain
I feel like I'm playing an estimating game
Either you'll get mad or you're gonna cry
Either way, when you come through the door, you're gonna lie
I can't picture the morning without you
But my mom, she warned me about you
I don't know what I'm wishing for
What about my number makes you hit ignore?

Come on pick up, vibrating
Come on pick up, vibrating
Come on pick up, vibrating
Come on pick up, vibrating
V-vibrating

Answer your god damn phone
When I'm calling you
What kinda precious little time am I violating?
Answer your god damn phone

When I'm calling you
I know that you can hear it v-v-v-vi-vibrating

V-v-vibrating, v-v-v-vibrating
V-v-vibrating, v-v-v-vibrating
V-vi-vibrating, v-v-v-vibrating
V-v-vibrating, v-v-v-vibrating

Madness! It's everything I know
Are you there?
Pick up
Where the hell did you go?
I'd rather you just tell me to piss off
'Stead of checkin' and seeing 70 missed calls
And 22 new messages
That might seem a little psychotic, and yes, it is
Why do you wanna keep me on silent?
I'll show you when I call back from private

V-v-vibrating, v-v-v-vibrating
V-v-vibrating, v-v-v-vibrating
V-vi-vibrating, v-v-v-vibrating
V-v-vibrating, v-v-v-vibrating
