

# Daydream

JJ Heller

Leaves are swaying  
Dancing in the sky  
Clouds like flowers  
Bloom before your eyes

Lying on  
The velvet lawn  
Darling  
Daydream  
With me

Gentle river  
Washing tired feet  
Stones like treasures  
Sparkle underneath

Drifting slow  
Away we go  
Darling  
Daydream  
With me

Floating softly  
Soaring like a bird  
Patchwork pastures  
Lie upon the earth

Flying Free  
Above the trees  
Darling  
Daydream  
With me

Breathe in deeply  
Salty ocean air  
Eyelids heavy  
Not a single care

Come explore  
Golden shores  
Darling  
Daydream  
With me

Darling  
Daydream  
With me
