

## Into The Light

jj

You get up every morning by the echoes of your dream  
Getting hit by life and a world that intervenes  
It's not easy getting out of bed  
It's not easy getting it out of your head

And it feels like everything is right  
And it feels like as you step into the light

It's the life I chose to live  
It is all I have to give  
I take my time to perfect the beat  
I still got love  
I keep it neat  
Do you feel the heat
