That's Where I'm Coming From

JLS

I meant every word of every promise I made to you,
But I'm a mess in my heart, and now we're both confused.
Told you not to get too close, now look what you made me do!
You should try to save yourself, I'll only end up hurting you,
Can't you hear me?

I just gotta step back, I don't wanna keep falling,
Don't wanna trade with your heart, cause you can't afford it!
Don't wanna give up, find it hard to keep going,
Look deep inside that the love between us is growing.
I can't continue, just gotta shut it down,
You can't keep playing with fire,
I'm only gonna lead you to temptation!
That's Where I'm coming from

(oh-oh) That's Where I'm coming from
(oh-oh) That's Where I'm coming from
(oh-oh) That's Where I'm coming from
(oh-oh) That's Where I'm coming from

Had the time of my life, back then when we were cool,
Somehow, we got in too deep on the collision course, I knew,
Didn't wanna give too much, but I couldn't stop myself,
Know that it would end in tears, I'm not like everybody else,
You can save me!

I just gotta step back, I don't wanna keep falling,
Don't wanna trade with your heart, cause you can't afford it!
Don't wanna give up, find it hard to keep going,
Look deep inside that the love between us is growing.
I can't continue, just gotta shut it down,
You can't keep playing with fire,
I'm only gonna lead you to temptation!
That's Where I'm coming from

You don't wanna play with me, girl,
I don't want the tears to run,
I'm only gonna break your heart, girl,
I can never be the one!

I just gotta step back, I don't wanna keep falling,
Don't wanna trade with your heart, cause you can't afford it!
Don't wanna give up, find it hard to keep going,
Look deep inside that the love between us is growing.
I can't continue, just gotta shut it down,
You can't keep playing with fire,
I'm only gonna lead you to temptation!
That's where I'm coming from

(oh-oh) said, that's where I'm coming from,
(oh-oh) that's where I'm coming from
(oh-oh) that's where I'm coming from
(oh-oh) said, that's where I'm coming from,
That's where I'm coming from
That's where I'm coming from
That's where I'm coming from
