

# Hypnotized

JMSN

Thank you  
Oh no, no, no , no

In the beginning it's new and exciting  
(Brand new, so brand new)  
And you can feel it like thunder and lightning  
(Thunder and lightening)  
See, it's all about the moments and timing  
(Moments and timing)  
It's living at the same time it's dying  
(Yeah, yeah)

I can make believe it's fate  
(I can make believe yeah)  
But let's just call a spade a spade  
(Let's just call a spade a spade)  
I'm just hypnotized  
No, I'll never be satisfied

Maybe I don't really know what I want yet  
(Who does, who does? Who does?)  
But I'm hopin' I know when I find it  
(That's what's up, that's what's up, that's what's up)  
Cause the days get to twistin' and windin'  
(Things get to twistin' and windin')  
And we ride till the gears get to grindin'

I can make believe it's fate  
(I can make believe yeah)  
But let's just call a spade a spade  
(Let's just call a spade a spade)  
I'm just hypnotized  
I'm just hypnotized

I'm just hypnotized  
I'm just hypnotized  
I'm just hypno-hypnotized  
Baby, hypnotized, hypnotized  
Oh, I'm hypnotized  
I'll never be satisfied  
Baby, oh, I, I'm just hypnotized  
Oh-ah-ah-ah  
Ah-ah-ah-ah-ah-ah  
I'm just hypnotized  
Hypnotized  
Baby, know that I'm hypnotized  
No that I ain't gon' lie  
I'm just, I'm just hypnotized  
Hypnotized, hypnotized  
Just hypnotized  
I, I, I, I'm just hypnotized  
Hypnotized, woah-woah  
I, I, I'm just hypnotized  
Hypnotized, yeah
