

Where Do U Go

JMSN

Every time you leave me baby
I said every time you go
I wonder if you're comin' back to see me
I wonder where you go (yeah)
Maybe it's my mind that deceives me
Thinking you out havin' fun with someone else
Baby my insecurities feed me
Maybe I just need some help

Woah (woah) I said where do you go (where do you go)
Woah (woah) I said where do you go (where do you go)
'Cause there's only so much I can do to not think of you (woah)
I said where do you go (where do you go)

Woah, every time I'm with you baby
I don't even look at the clock
But then my mind does a full 180
When you hit that door and start to walk away
Maybe it's the way God made me
Maybe it's just a mental block
All I know is I'm gon' be waiting
But the deadbolt don't lock, oh oh

Woah (woah) Where do you go (where do you go)
Woah (woah) I said where do you go (where do you go)
'Cause there's only so much I can do to keep me from thinking o
f you (woah)
I said where do you go (where do you go)

Woah, where do you go
Woah, where do you go

Wonder if you miss me, 'cause I can never tell
Play the game so well, so I guess I'll take the L
Wonder what you're thinking
I'm trying not to dwell
Got me under your spell
And I'm still keep wondering where do you go

Woah (woah) I said where do you go (where do you go)
Woah (woah) where do you go (where do you go)
'Cause there's only so much I can do to not think of you (woah)
I said where do you go (where do you go)
Oh oh oh oh oh oh oh
