

# My Give A Damn's Busted

Jo Dee Messina

Well you filled up my head with so many lies  
You've twisted my heart 'til something snapped inside  
I'd like to give it one more try  
But, my give a damn's busted

You can crawl back home, say you were wrong  
Stand out in the yard and cry all night long  
Go ahead and water the lawn  
My give a damn's busted

I really wanna care  
I wanna feel something  
Let me dig a little deeper  
No, sorry, nothing

You can say you've got issues  
You can say you're a victim  
It's all your parents' fault, I mean after all you didn't pick em  
Maybe somebody else has got time to listen  
My give a damn's busted

Well your therapist says it was all a mistake  
A product of the Prozac and your codependent ways  
So who's your enabler these days  
My give a damn's busted

I really wanna care  
I wanna feel something  
Let me dig a little deeper  
No, still nothing

It's a desperate situation  
No tellin what you'll do  
If I don't forgive you, you say your life is through  
Come on give me something I can use  
My give a damn's busted

Well, I really wanna care  
I wanna feel something  
Let me dig a little deeper  
No, man, sorry  
Just nothing, no

You've really done it this time  
My give a damn's busted
