Every Kinda People

Jo O'Meara

Said the fight to make ends meet Keeps a man upon his feet Holding down his job Trying to show he can't be bought

Ooh, it takes every kind of people To make what life's about, yeah Ooh every kind of people To make the world go round

Someone's looking for a lead In his duty to a King or to a creed Protecting what he feels is right Fights against wrong with his life

There's no profit in deceit
Honest men know that
Revenge do not taste sweet
Whether yellow, black or white
Each and every man's the same inside

Ooh, It takes every kind of people To make what life's about, yeah It takes every kind of people To make the world go round

Whooaoooh
Oooooh..oooh..

You know that love's the only goal That could bring a peace to any soul Hey, and every man's the same He wants the sunshine in his name

Ooh, It takes every kind of people To make what life's about, yeah It takes every kind of people To make the world go round

It takes every kind of people
To make what life's about, yeah
Every kind of people
To make the world go round

Every kind of people
To make what life's about, yeah
Every kind of people
To make the world go round
