

I'll Never Get Away

Joan Jett and the Blackhearts

I'll never get away from you
I'll never get away from you

I'll never get away from you
I'll never get away from you

I'll never get away from you
I'll never get away from you
I'll never get away from you
I'll never get away from you
I'll never get away from you
I'll never get away from you
I'll never get away from you
