Hell stands still with an empty throne,

with an audience ignited in a conflagration composed by their 1 ord.

Descending to their exhausted knees they begin to apprehensivel y examine their boiling skin which only crumbles away even at the most delicate touch.

Hundreds upon the thousands consumed only by their own unmistak able immorality.

Over and over repeatedly this relentless process Thousands of speechless bodies pile over each other completely motionless.

Over again.

These thousands of speechless bodies pile over each other, all over each other completely motionless.

Hell stands still with an empty throne,

Descending to their exhausted knees they begin to apprehensivel y examine their boiling skin

They can no longer depart from their dismantled remains.

Depart from their dismantled remains, far from its eternal home this demon stand over my crippled anatomy, he buries his weigh t into my impaired lungs and spreads my ribs wide open, this ca ncer now inhabits my chest in complete dormancy.

I lay completely paralyzed with my entirely frozen limbs, my bo dy turns cold, my organs shut down.
