They instantaneously demand torture  
And crucifixion to the bringer of a profound truth revolt.  
Placing the hostage in imprisonment for unmasking  
The repulsive face of ongoing corruption.

Chained and subjected to vulgar, personality-erasing  
Insanity-inducing conditions of nauseating isolation.  
Unleashing the smear campaign triggered to dilute  
Belittle a life to nihilism.

They instantaneously demand torture  
And crucifixion to the bringer of a profound truth revolt.  
Placing the hostage in imprisonment for unmasking  
The repulsive face of ongoing corruption.

A weathered soldier convicted with treason  
Incarcerated and tormented without constitutional persecution.  
Beaten as an unfaithful Judas  
Confined into a tomb of solitary, blackened slumber.  
Left in solitude to slowly rot for opening the eyes of corruption.

Unleashing the smear campaign triggered to dilute  
Belittle a life to nihilism.
