

Athens to Athens

Joe Bonamassa

I'm gonna leave my girl you should see
She is so fine
It's Better Athens to Athens
Kinda day and night

I'm gonna go into town
Going to try to flag a ride
It's Better Athens to Athens
Kinda day and night

I'm gonna watch the sun come up
Fires gonna rise
It's Better Athens to Athens
Kinda day and night

It's Better Athens to Athens
Kinda day and night
