

I Didn't Think She Would Do It

Joe Bonamassa

I thought we would sail on such a kind sea
I thought we were being what we wanted to be
I had no warning of what was dawning
Shock of the world so stop your freaking moaning

I didn't think she would do it
I didn't think she would do it
I didn't think she would do it
I didn't think she would do it
But she did it anyway

I thought we were driving such a straight line
What's mine is yours and what's yours is mine
I had no premonition of nuclear fission
My whole world blew up on live television

I didn't think she would do it
I didn't think she would do it
I didn't think she would do it
I didn't think she would do it
But she did it anyway

Sometimes I know it's all my fault
I took her for granted 'til I called it a halt
I had no idea I was now in the rear
My dreams are gone and I'm nowhere freakin' near

I didn't think she would do it
I didn't think she would do it
I didn't think she would do it
I didn't think she would do it
But she did it anyway
She did it anyway
Oh, she did it anyway
