

You Better Watch Yourself

Joe Bonamassa

You better watch yourself
You better watch yourself
You better watch yourself
I got my eyes on you

Yeah, you steal my heart
Then you go away
Don't tell me
You'll see me another day

You better watch yourself
You better watch yourself
You better watch yourself
I got my eyes on you

Yeah, I gave you all my love
All my things too
Fine Cadillac
Baby, what you gonna do?

You better watch yourself
You better watch yourself
You better watch yourself
I got my eyes on you

Oh, show them now, baby

Well, people are talkin'
All over the town
You say you're gonna love me
But you put me down

You better watch yourself
You better watch yourself
You better watch yourself
I got my eyes on you

Hey, ooh
