

A to Z

Joe Cocker

I like to talk to you
A word or two will do
Something I need to say
Before I'm way too late
How could you say you know
Why you obsess me so
How could I let you be
As much as you mean to me
And never let you know

I love you A to Z
I love you A to Z
I love you A to Z

I see no reason to
Wander away from you
For I would only be
Leaving you empty as me
And I believe in you
That's why I try like I do
I need to let you know
How hard it is to let go
Then try make you see

I love you A to Z
I love you A to Z
I love you A to Z

No mistake about it
I can't get you out of my mind
Can't erase somebody
For a safer need I may find
Don't think about it
If you listen one time
I'll say it better
Love you to the letter

I love you A to Z
I love you A to Z
I love you A to Z

You know I do
Do I love you?
What I'll do
A to Z
Baby say that you'll love me too
That's the love that I'll lend you
From A to Z .yeah!
And nobody else baby
Oh, I love you
Yes I do

I love you from A to Z
Do you love me?
Love me too
