

Out of the Rain

Joe Cocker

Out of the rain, under the shelter
I've been so long where the sun don't shine
Standing at the cross-roads, could have went either way
But now I've found you and the storm is behind

Out of the rain, out of the rain

Over the wall, I'm out in the open back on the right track
I'm feeling no pain, you took a sparrow and let it fly
With the eagles, I can see a long ways, I feel love again

Out of the rain, out of the rain

There was a time I was taking no prisoners standing with a cold
heart
Standing alone, it took your sweet love to pull me out of the c
anyon
I believe I can make it I feel like I belong

Out of the rain, out of the rain
Out of the rain, I'm out of the rain
Out of the rain

Out of the rain, under the shelter
I've been so long where the sun don't shine
Standing at the cross-roads, could have went either way
Now I've found you and the storm is behind
