

# Put Out the Light

Joe Cocker

Why should I worry when I know you're loving me  
Why should I care when there's joy everywhere  
Why can't I see the beauty of the life

Somebody I trusted, trusted  
Somebody I knew quite well  
Somebody I loved

But please don't put out the light  
Put out the light, turn the day into night  
Put out the light, put out light  
Turn the day into night, turn the day into night  
Hey, hey, hey, yeah

I got this good old melody  
I think it's makin' me blue only  
Then I hear the symphony  
That's what I get and  
That's what's been taken out, the best of me

Hey, hey, hey, yeah  
Hey, hey, hey, yeah

Why should I hurry? I do the best I can  
Do what I do and I hope you understand  
Why can't I see the beauty of the life?

Somebody I trusted  
Somebody I knew quite well  
Somebody I loved

But please don't put out the light  
Put out the light, turn the day into night  
Turn the day into night, put out light  
Put out the light, turn the day into night  
Hey, hey, hey, yeah

Please don't, somebody I trusted  
Somebody I knew quite well  
Somebody I loved

But please don't  
[?] please don't put out the light  
Put out the light  
Hey, hey, hey, yeah

Put out the light, don't put out the light, yeah  
Put out the light, don't put out the light, yeah  
Put out the light, don't put out the light, yeah
