Joe Cocker

- G** **Gmaj7**  
1. Something in the way she moves,  
**G7** **C C/B**  
Attracts me like no other lover.  
**A7** **D7**  
Something in the way she woo's me;  
Em Em/maj  
I don't want to leave her now;  
**Em7** **Em6 C G**  
You know I believe, and how.
2. Somewhere in the way she smiles,  
Reminds me that I'll always think of her.  
Something in the way, she smiles for me;  
I don't want to leave her now;  
You know I believe, and how.

**E** **E/Eb** **C#m B**  
R: You're asking me, will my love grow?  
**A D B B7**  
I don't know, I don't know.  
**E E/Eb C#m B**  
Just stick a-round now, it may show.  
**A D B D7**  
I don't know, I don't know.
