

## (That's What I Like) In My Woman

Joe Cocker

You say she's got a mind of her own  
I like that in my woman  
You say she's crazy, I really don't know  
That's what I love in my woman

And I think I'm gettin' crazy  
I might be gettin' lazy  
I just don't want to look any more  
'Cause I found you  
I found you  
I found you  
I found you

You say she wants to  
Take a little stroll  
Down by the river  
Every evenin'

I just might take  
Myself a little stroll  
Down by the river  
Every evenin'

I think I'm gettin' crazy  
I must be gettin' lazy  
I just don't want to look any more  
'Cause I found you  
I found you  
I found you  
I found you
