

I Just Don't Know

Joe Diffie

Long before you came along
Before I heard your name
I was known for breakin' hearts
And playin' foolish games

I'd have my fun and then I'd run
As fast as I could go
I was sure I'd run this time but now
I just don't know

My old heart is sayin' I love you
But the part of me that's wild and free don't want me to
Every time we touch I feel the rush from my head down to my toe
s
Is that enough to call it love
I just don't know

I should have known what was going on
When I asked for one more dance
Once I dropped my guard I guess my heart
Didn't have a chance

I had no doubt I could still get out
'Till just a while ago
But with your arms around me now
I just don't know

My old heart is sayin' I love you
But the part of me that's wild and free don't want me to
Every time we touch I feel the rush from my head down to my toe
s
Is that enough to call it love
I just don't know

Every time we touch I feel the rush from my head down to my toe
s
Is that enough to call it love
I just don't know
