Music has charms they say But in some people's hands It becomes a savage beast Can't they control it Why don't they hold it back

You see my friend and me Don't have an easy day And at night we dance not fight And we need the energy If not the sympathy

But I'm brutalized by bass
And terrorized by treble
I'm open to change my mood but
I always get caught in the middle

And I get tired of DJs
Why is it always what he plays
I'm gonna push right through
I'm gonna tell him too
Tell him to
Play us
Play us a slow song
Play us a slow song

It's late - I'm winding down
Am I the only one
To want a strong and silent sound
To pick me up and undress me
Lay me down and caress me

I feel you touch my hand And whisper in my ear Ask me how I'm feeling now And I want to get near you But I can't even hear you

But this is a fine romance

If we have to be so demanding

We need just one more dance to

Leave here with an understanding

And I get tired of DJs
Why's it always what he plays
I'm gonna push right through
I'm gonna tell him too
Tell him to
Play us
Play us a slow song
Play us a slow song
