

# Dirty Martini

Joe Jackson

Two in the morning, there's a drink in my hand  
(Dirt Dirt, Dirty Martini)  
Nothing moving in this place but sweat  
I heard a rumour 'bout a Cajun band  
(Dirt Dirt, Dirty Martini)  
The bartender says it's early yet  
Wait, the bartender says it's early yet

Too many olives in too much gin  
Steppin' out in the City of Sin  
Too much dirty rice and too many beans  
Gettin' down and dirty down in New Orleans  
Gettin' down and dirty down in New Orleans

Have another, I believe I will  
(Dirt Dirt, Dirty Martini)  
And you can stir it with a dirty spoon  
There's a prescription that I've got to fill  
(Dirt Dirt, Dirty Martini)  
And the doctor's gonna be here soon  
Jimmy says the doctor's gonna be here soon

Too many olives in too much gin  
Steppin' out in the City of Sin  
Too much dirty rice and too many beans  
Gettin' down and dirty down in New Orleans
