

One More Time

Joe Jackson

Tell me one more time, as I hold your hand, that you don't love me

Tell me one more time as teardrops start to fall

Shout it to me and I'll shout it to the skies above me

That there was nothing after all

Baby, baby, tell me that you never wanted my loving

Baby, baby, tell me that you never, tell me, tell me

One more time, one more time, say you're leaving, say goodbye

One more time, one more time, say you're leaving, say goodbye

Tell me one more time we never had a thing in common

Tell me one more time as you turn and face the wall

Tell me I should know you never were my kind of woman

And tell me we were fools to fall

Baby, baby, tell me that you never wanted my loving

Baby, baby, tell me that you never, tell me, tell me

One more time, one more time, say you're leaving, say goodbye

One more time, one more time, say you're leaving, say goodbye

Tell me one more time your tears are only sad confusion

And tell me it's just been so long and that is all

Tell me one more time that love was only my illusion

You never answered to my call

Baby, baby, tell me that you never wanted my loving

Baby, baby, tell me that you never, tell me, tell me

One more time, one more time, say you're leaving, say goodbye

One more time, one more time, say you're leaving, say goodbye

One more time, one more time, say you're leaving, say goodbye

One more time
