

Gotta Find You

Joe Jonas

Every time I think I'm closer to the heart
Of what it means to know just who I am
I think I've finally found a better place to start
But no one ever seems to understand

I need to try to get to where you are
Could it be you're not that far

You're the voice I hear inside my head
The reason that I'm singing
I need to find you
I gotta find you
You're the missing piece I need
The song inside of me
I need to find you
I gotta find you
Oh yeah, yeah, yeah

You're the remedy I'm searching hard to find
To fix the puzzle that I see inside
Panting all my dreams the color of your smile
When I find you it will be alright

I need to try to get to where you are
Could it be you're not that far

Been feeling lost, can't find the words to say
Spending all my time, stuck in yesterday
Where you are is where I wanna be
Oh next to you
And you next to me
Oh, I need to find you
Yeah

Yeah, yeah, I gotta find you
