

Soul Searcher

Joe Lynn Turner

What am I looking for... I don't know what
I'll find
It lies behind the door to another space and
time
The riddle is a metaphor without a trace of
rhyme
Don't need a time machine to travel near
and far
Went deep inside a dream to reach a
distant star
Things are never what they seem when you
wonder
Who you are...who you are

Soul searcher
Take a look inside and tell me what do you see
Soul searcher
Can't hide there's no one there but me

Light reveals what's never been shown
No mortal eyes can see
By yourself, but not alone
Our soulmates set us free
And everything you've ever known is what was
meant to be... it was destiny

Soul searcher
Take a look inside and tell me what do you see
Soul searcher
Can't hide there's no one there but me
