## **Soul Searcher**

Joe Lynn Turner

What am I looking for ... I don't know what I'll find It lies behind the door to another space and time The riddle is a metaphor without a trace of rhyme Don't need a time machine to travel near and far Went deep inside a dream to reach a distant star Things are never what they seem when you wonder Who you are...who you are Soul searcher Take o look inside and tell me what do you see Soul searcher Can't hide there's no one there but me

Light reveals what's never been shown No mortal eyes can see By yourself, but not alone Our soulmates set us free And everything you've ever known is what was meant to be... it was destiny

Soul searcher Take a look inside and fell me what do you see Soul searcher Can't hide there's no one there but me
