I heard the sound of voices in the night Spellbound there was someone calling I looked around no one was in sight Pulled down I just kept on falling I've seen this place before You were standing by my side I've seen your face before tonight Maybe I just see what I want it to be I know it's a mystery Do you remember me on a street of dreams Running through my memory On the street of dreams

There you stood a distant memory
So good like we never parted
Said to myself I knew you'd set me free
And here we are right back where we started
Something's come over me
And I don't know what to feel
Maybe this fantasy is real
Now I know I see what I want it to be
But it's still a mystery

Do you remember me on the street of dreams Running through my memory On the street of dreams You are on every face I see On the street of dreams

Tell me have you always been
On the street of dreams
Will we ever meet again my friend
Do you know just what it meand to be
On the street of dreams
Never know just who you'll see do ya
On the street of dreams
You can be who you want to be oh yeah
I can hear you calling me
I can feel you haunting me
You haunting me
