

Sweet Obsession

Joe Lynn Turner

Here we go just another night
With your sultry eyes the one that hypnotize
Yeah you know it's getting hard to fight
Got me in your sights I'm gonna fall tonight

You got me running every time
You call my name
I seen it coming... something I can't explain
I feel it starting again

It's a sweet obsession can't get enough
I feel the magic every time that we touch
such a sweet obsession comes over me
Take me to the fire girl.... or set my heart free

Something wrong baby deep inside
Is it you or me... well I can't decide
Is it love or is it just a game
Got control of me and I can't break the chain

I'm just a prisoner of a heartbeat losing its way
You got me captured
And there's nothing I can do
Nothing I can do to scape
