

Baby Got Back

Joe Nichols

I like big butts and I cannot lie
You other brothers can't deny
When a girl walks in with an itty-bitty waist
And a round thing up in your face
You get sprung

You know you want to pull up tough
Cause you noticed that butt was stuffed
Deep in the jeans that she's wearing, I know
And I can't stop staring

I like big butts and I cannot lie
All you other brothers can't deny
When a girl walks in with an itty-bitty waist
And a round thing up in your face
You get sprung

I like big butts and I cannot lie
All you other brothers can't deny
When a girl walks in with an itty-bitty waist
And a round thing up in your face
You get sprung
