

# It Ain't No Crime

Joe Nichols

I was sittin' outside in the front yard  
Lawn chair, kiddie pool, soakin' up the sun  
Old man walks by and said, "We got this thing called ambition  
Why don't you buy a suit and go get you some?"

Like he ain't got enough of his own business  
Now he's got to go mindin' mine  
Opportunity knocks and I miss it

It ain't no crime, it ain't no crime  
If I wanna kick back and kill a little time  
It ain't no crime

I was gettin' some pink in my color  
Next door the lady says, "Why you always layin' around?  
A fine you man like you should be married with some children  
Instead of all these honeys runnin' in and out"

Like she ain't got enough of her own business  
Now she's got to go mindin' mine  
I don't have a lotta kids and a Mrs.

It ain't no crime, it ain't no crime  
If I wanna kick back and steal a kiss sometime  
It ain't no crime

If everybody minded their own business  
They'd be too busy to worry 'bout mine  
If I live life the way I wanna live it

It ain't no crime, it ain't no crime  
If I wanna kick back and chill  
Or steal a kiss from a girl I will every time  
It ain't no crime, it ain't no crime, it ain't no crime
