

# Speak Life

Joe Pace

Have you ever been in a dry place?  
Couldn't show it on your face  
And you'd cry inside  
"Lord, tell me why?"

That relationship now broken  
So many hurts unspoken  
And you'd die inside  
"Lord, tell me why?"

Night after night you pray  
Still nothing seems to ever change  
Remember God's Word is true  
He knows the plans He has for you  
By faith this is what you must do

Just speak life to it  
Just speak life through it  
Knowing God's not a man  
That He should lie  
Just hold on to it  
Just go on through it  
To every dry bone in your valley  
Just speak life

Whatever happened to your dreams  
You struggled with your self-esteem  
And you'd cry, inside  
"Lord, tell me why?"  
Frustration's always on your mind  
There's been no joy for quite some time  
And you'd die inside  
Lord, tell me why?

Night after night you pray  
Still nothing seems to ever change  
Remember God's Word is true  
He knows the plans He has for you  
By faith this is what you must do

Just speak life to it  
Just speak life through it  
Knowing God's not a man  
That He should lie  
Just hold on to it  
Just go on through it  
To every dry bone in your valley  
Just speak life

(You may not see it right now),  
(Still you must believe that somehow)  
God will work it out.

(Though your bones may seem dry),  
(You must now prophesy),  
That I shall live and not die.
