

Soldier Of Fortune

Joe Perry

No one knows just how i feel tonight
I can't get through the day without a fight
I don't expect a thing that i don't take
Hand to hand, to me it's make or break

Soldier of fortune
Soldier of fortune
{i'm a} soldier of fortune
Soldier of fortune

Day to day, i start from going in
At times i feel alone, i just can't win
What i want, i take....it ain't no sin
The strong survive, the weak....they never learn

Soldier of fortune
Soldier of fortune
{i'm a} soldier of fortune
Soldier of fortune

They do drugs, they do speed
I seen it all, it ain't no dream
I seen the world that they tear apart
One by one, they hit the dark {the dark}

Soldier of fortune
Soldier of fortune
{I'm a} soldier of fortune
Soldier of fortune
Show me your way

Soldier of fortune
Soldier of fortune
{I'm a} soldier of fortune.
{I'm a} soldier of fortune.
