

# Fool Me

Joe South

Ain't it kinda funny now  
Sometimes a fool never learns  
Play with fire and it always burns

Don't it kinda get you now  
You treat me worse than before  
But I keep comin' back for more

'Cause you're a deceiver and I'm a believer  
It's just a game, I know  
But I can't seem to let go

So fool me, fool me one more time  
You can fake just for old times' sake  
Look in my eyes, tell me those lies  
And just fool me, oh fool me one more time

Don't it make you wonder now  
Why I'm playin' make-believe  
You don't really think I'm that naive

Don't it make you sad now  
I'm acting like I've got it made  
Even though it's just a masquerade

'Cause you're a deceiver and I'm a believer  
It's just a game, I know  
But I can't seem to let go

So fool me, fool me one more time  
You can fake just for old times' sake  
Look in my eyes, tell me those lies  
And just fool me, oh fool me one more time

Baby fool me one more time  
Oh fool me one more time

Fool me, fool me one more time  
You can fake just for old times' sake  
Look in my eyes, tell me those lies  
And just fool me, oh fool me one more time

C'mon fool me one more time
