Alone Together

Joe Williams

Alone together, beyond the crowd Above the world We're not too proud to cling together We're strong as long as we're together

Alone together, the blinding rain The starless nights were not in vain For we're together And what is there to fear together?

Our love is as deep as the sea
Our love is as great as a love can be
And we can weather the great unknown
If we're alone together, together, together
If we're alone together
