

# You Showed Me The Way

Joe Williams

You showed me the way  
When I was someone in distress  
A heart in search of happiness  
You showed me the way

My sky was so gray  
I never knew I'd feel a thrill  
I couldn't dream a dream until  
You showed me the way

The moment you found me  
The shadows around me  
Just disappeared from view  
The world became rosy  
Each corner so cozy  
Darling, all because of you

You showed me the way  
And if I've learned  
That love can be a paradise  
For you and me  
Here's all I can say  
You showed me the way
