

Finally Back

Joe

Oh yeah, baby
I'm not going nowhere
I'm staying right here

Hey baby, how are you doing
Yeah, I knew I've been wrong for a while
But I'm back to say
I want to stay right here with you
Yes, I know
There are a few things I just want to tell you

I've been a fool for leaving, leaving you all alone
I should have known better, baby
Knew you had a house and a home
My conscience told me, baby
The best things in life are free
My heart is locked
Baby, you hold the key

I am here
After I'm so wrong
I am here
Finally back, finally back
Well well, wrong

I fantasize of a good time
Moments that we shared, oh yeah
You showed me more ways
Baby you really care
The choice is yours, first tell me now
Baby, I'm begging you please
Give me another chance and I'll make you see

Don't worry about a single thing
I'll be right there for you, you'll see
I will give you everything you need
So baby don't give up on me
I've come to show that I can
That love I had was always there
I know I've been away too long
And now I'm finally back right where I belong
Where I belong, baby
I'm right where I belong
I'm never going away
Never going no where, baby
