

# Miss My Baby

Joe

My my ...  
I miss my baby, I miss my baby  
my my ...  
I miss my baby, I miss my baby  
ah the hell with it all,  
I don't wanna go on.  
I just want to stay here and wait it out.  
Someday you gonna come back home  
And we gonna be together  
Though you say we can never  
all these years gotta count for something  
We ain't fall in love for nothing  
we been through to much baby  
(you know it baby)  
I just can't let it go  
things will be much better here  
If you come back here my dear  
oh, I need you, I want you baby  
there's a thing that I won't do  
I promise I will be good to you  
and that will be the source  
For girl come back to me  
my my ...  
I miss my baby, I miss my baby  
my my ...  
I miss my baby, I miss my baby  
this beautiful life with you  
Skip to Jamaica get a room with a view  
don't act like you don't know you knew you want this here  
so baby come back to me  
Right away I give you anything plus pipe a lay  
you know you ain't gonna find another guy  
To do it just the way you like  
all these years gotta count for something  
We ain't fall in love for nothing  
we been through to much baby  
I just can't let it go  
things will be much better here  
If you come back here my dear  
oh I'm a real man, and I want you, see I want you  
there's a thing that I won't do  
I promise I will be good to you  
and that will be the source  
For girl come back to me  
my my ...  
I miss my baby, I miss my baby  
my my ...  
I miss my baby, I miss my baby  
my my ...  
I miss my baby, I miss my baby  
(things will be much better here  
If you come back here my dear)  
my my ...  
I miss my baby, I miss my baby  
There's a thing that I won't do  
I promise I will be good to you  
and that will be the source

For girl come back to me
