

# No One Else Comes Close

Joe

When we turn out the lights  
The two of us alone together  
Something's just not right  
But girl you know that I would never ever let another's touch  
Come between the two of us  
Cause no one else will ever take your place

No one else comes close to you  
No one makes me feel the way you do  
You're so special girl, to me  
And you'll always be, eternally  
Everytime I hold you near  
You always say the words I love to hear  
Girl with just a touch, you can do so much

No one else comes close

And when I wake up to  
The touch of your head on my shoulder  
You're my dream come true  
Oh, girl you know I'll always treasure  
Every kiss, every day  
I love you girl in every way  
And I always will cause in my eyes

No one else comes close  
No one else comes close

Damn I love you
