

Somebody Gotta Be on Top

Joe

Hello, welcome to the show
Somebody's gotta be on top
And that's the way it goes
Oh yeah, lights off time to
set this party off baby pull
Down the shades they're gonna
Be like down for days clothes
Off for a private dance tonight
I wanna take you down naughty
Street tonight

Baby let's keep it private cause
Were getting ready to ride it
Ecsatcy on the balcony going down
For more on the kitchen floor
Slipping and sliding I want you
To ride it on my knees I'll have
You screaming wait, wait, wait
Don't let it go

Don't you wanna come along for the
Ride of your life (somebody) somebody's
Gotta be on top coco butter skin I can't
Wait till I get in your body somebody's
Gotta be on top

Right now I think I I'm gonna shut this
Party down. There's a sequel to the show
Come on i gotta let you know admission
Can't be paid at the door stroke, stroke,
Poke, joke gonna blow it out sugar aint no
Doubt I'll be stroking that's what I'd be talking

Baby let's keep it private cause
Were getting ready to ride it
Ecsatcy on the balcony going down
For more on the kitchen floor
Slipping and sliding I want you
To ride it on my knees I'll have
you scream quick, quick, quick,
Don't let it go

Don't you wanna come along for the
Ride of your life (somebody) somebody's
Gotta be on top coco butter skin I can't
Wait till I get in your body somebody's
Gotta be on top

Looking for the softest place on earth
Someone to break me off lets stick it
To the bed get it nice and wet never
Do it from the side just kiss the chest
Looking for the softest place on earth
Someone to break me off I'll kiss you on
Your neck than down your back doing it
All night long like insomniacs lookin
For the softest place on earth someone

To break me off take the pillows off the
Couch put them on the floor give it to you
Nice and strong make you scream for more
Lookin for the softest place on earth
Someone to break me off if your feeling me
Like I'm feeling you get on top of me

Don't you wanna come along for the
Ride of your life (somebody) somebody's
Gotta be on top coco butter skin I can't
Wait till I get in your body somebody's
Gotta be on top
