

Cabin Fever

Joey Ramone

Looking outside, watching
the traffic go
Feeling uptight, baby, what's
come over me?
Sitting in bed thinking about
Metallica
Feeling half dead, baby,
what's come over me?
Sitting in bed thinking about
Metallica
Feeling half dead, baby,
what's come over me?
Looking outside, watching
the traffic go
Feeling uptight, baby, what's
come over me?
