

New York City

Joey Ramone

New York City, I like New
York City (2x)
Oh yea, you know I do
New York City, I like New
York City (2x)
Oh yea, you know it's true
Like it, I like it
And I'm proud to make my
home in New York City
In this New York City
East Village, West Village,
Uptown, Downtown, 'round
'n' around 'n' around
You might never come down
The Ritz and the Cat Club
Pyramid, Limelight
Paul's Lounge, Save the
Robots
You might never come down
(2x)
Like it, I like it
Yes, I do
You know I do
And I'm proud to make my
home in New York City
Yes, I'm proud to make my
home in New York City
In this New York City
Like it lots, I like it lots
Like it lots, I like it in this city
In this New York City
And I'm proud to make my
home in New York City
Yes, I'm proud to make my
home in New York City
In this New York City (3x)
