

Come Sit On Santa Claus' Lap

Joey + Rory

I've been makin' a list, all year long
Of all the gifts everybody wants
Santa's little elves got some work to do
But we sure don't wanna leave out you

Billy wants a brand new baseball
Johnny wants a brand new bat
Heidi wants a rubber dolly
Opie wants a cowboy hat

Ah, but you ain't told me nothin'
That you'd like to have
So put down the eggnog, baby
And come sit on Santa Claus' lap

Well, it's Christmas time, don't you know
Ho ho ho, honey, here we go
All dressed up in white and red
Mistletoe hangin' over my head...

Billy wants a brand new baseball
Johnny wants a brand new bat
Heidi wants a rubber dolly
Opie wants a cowboy hat

Ah, but you ain't told me nothin'
That you'd like to have
So put down the eggnog, baby
And come sit on Santa Claus' lap

Yeah, put down the eggnog, baby
And come sit on Santa Claus' lap
