

Just a Cup of Coffee

Joey + Rory

It's just a cup of coffee
He's only passing through
There's nothin' more between us
Than a memory or two
Now I know what you're thinkin'
But this time I'm tellin' you
It's just a cup of coffee
He's only passing through

I'm meetin' him at midnight
At the Old Highway Café
I'll be home in an hour
Don't look at me that way
There's nothin' more between us
Than a memory or two
It's just a cup of coffee
He's only passing through

I know, I know, I know you've heard it all
And you think I'll fall
Right back into his arms
Well you're nothin' but a mirror on the wall
What do you know
I've gotta go

I know, I know, I know you've heard it all
And you think I'll fall
Right back into his arms
Well you're nothin' but a mirror on the wall
What do you know
Hey I've gotta

I know I never bothered
To give him back that ring
And, yeah I'm wearin' perfume
But that doesn't mean a thing
You're only a reflection
Don't tell me what to do
It's just a cup of coffee
He's only passing through

There's nothin' more between us
Than a memory or two
It's just a cup of coffee
He's only passing through
