

Do You Have A Garter Belt

John Anderson

I love the way you wear your hair down long
I like the way your voice sounds on the telephone
You know you look sexy in tight blue jeans
But there's one thing I go to ask you please

Do you have a garter belt?
Would you wear stockings?
Do you have a garter belt?
Would you wear stockings?

I don't mean to put no heat on you
I wonder if you feel the way I do
You don't have to worry 'cause it's alright
I ain't kinky baby but I know what I like

Do you have a garter belt?
Would you wear stockings?
If I was to call for help
Just keep on rocking, honey
