

I Wish I Could Write You a Song

John Anderson

I wish I could sit down and write you a song
One that would play forever so long
It would haunt you wherever you go
'Cause it'd be about you and you'd know

I'd hope that you'd hear it alone in your car
And you'd pull off the road wherever you are
And you'd cry 'cause you done me wrong
Oh, I wish I could write you a song

I'd hope that you'd hear it alone in your car
And you'd pull off the road wherever you are
And you'd cry 'cause you done me wrong
Oh, I wish I could write you a song

Yes you'd cry 'cause you done me wrong
Oh, I wish I could write you a song
