

It's All Over Now

John Anderson

Well, baby use to stay out all night long
She made me cry, she done me wrong
She hurt my eyes open and that's no lie
The tables turnin', now it's her turn to cry

Because I used to love her
But it's all over now
Because I used to love her
But it's all over now

Well, she used to run around
With every man in town
Spent all my money
A-playin' a high-class game

She put me out
It was a pity how I cried
The tables turnin'
Now it's her turn to cry

Because I used to love her
But it's all over now
Because I used to love her
But it's all over now

I used to wake up in the mornin'
Get my breakfast in bed
When I gotten worried
She would ease my achin' head

But now she's here and there
With every man in town
Still tryin' to take me
For that same old clown

Because I used to love her
But it's all over now
Because I used to love her
But it's all over now
